Here's™ what the Weekly Rhythm Register looks like (click on the picture for a larger/better view & to print your own!): All you do is list each one of your daily or weekly goals in the – Behavior/Action – column on the far left. Then in the – Goal – column toward the right, put the number of times you'd™ like to complete that goal that week.

Echo rhythm. Speak or clap rhythms to a study partner, and have the partner respond on Takadimi syllables. This is a very effective way to learn rhythm, and should come before reading and writing with notation. Experiment. Include the element of pitch. Singing rhythm on one repeated pitch puts strain on your voice and

is not recommended.

Inspired by Waldorf kindergartens I have designed a week wheel to visualize our week rhythm. The wheel consists of 2 circles and the smaller one is attached to the larger circle with a split pin. The small circle is divided into 7 parts, each part representing a day of the week with the corresponding colour for that day.
