Arguably the most important of "Treasury's wars" and the heart of the book were its campaigns against North Korean and Iranian banks in the international financial system. Treasury's activities were integral contributions to the U.S. government's offensives against those countries' nuclear ambitions.

The phrase "war poetry" is a convenient one, but war poetry, after all, may be as broadly comprehensive in its insights and occasions as poetry which has no relation to war. If it be worthy, it is the finely wrought record of a sympathetic reaction to the enkindling heroisms of war, or of an antipathetic reaction to its sorrows, its brutalities ...

Treasury began in the turmoil of the American Revolution, when the Continental Congress at Philadelphia deliberated the crucial issue of financing a war of independence against Great Britain. The Congress had no power to levy and collect taxes, nor was there a tangible basis for securing funds from foreign investors or

governments.

Juan Zarate, one of the chief architects of this strategy, recently released his first book; Treasury's War – The Unleashing of a New Era of Financial Warfare. The insider's account both pulls back the curtain of this shadowy world and gives a sobering assessment of many of the new financial threats we will be facing in the coming years.
