QUT - How to apply - Research

A decade since the Great Recession hit, state spending on public colleges and universities remains well below historic levels, despite recent increases. Overall state funding for public two- and four-year colleges in the 2017 school year (that is, the school year ending in 2017) was nearly \$9 billion below its 2008 level, after adjusting for inflation.

In selecting projects for funding, the Foundation seeks proposals for original initiatives led by outstanding individuals or teams. We are interested in projects that have a high expected return to society, exhibit a high degree of methodological rigor, and for which funding from the private sector, government, or other foundations is not yet widely available.
