

basic income pdf

A basic income, also called basic income guarantee, universal basic income (UBI), basic living stipend (BLS), or universal demogrant, is a type of program in which citizens (or permanent residents) of a country, or any other region, may receive a regular sum of money from a source such as the government. A pure or unconditional basic income has no means test, but unlike Social Security in the ...

Basic income - Wikipedia

Universal Basic Income is a payment made to every eligible adult and child. It is not dependent on income and so is not means-tested. It is a basic platform on which people can build their lives “ whether they want to earn, learn, care or set up a business.

Basic Income - RSA

Basic income means the provision of identical payments from a government to all of its citizens. Guaranteed minimum income is a system of payments (possibly only one) by a government to citizens who fail to meet one or more means tests. While most modern countries have some form of GMI, a basic income is rare.
