Thought Leadership (2012) - lynda.com

Broad support for democracy The American public's support for the concept of democracy remains strong. In contrast to the period before World War II, when the appeal of fascism and communism was spreading through Europe and the United States, this project does not show a recent decline in support for the idea of democracy.. A full 60 percent of respondents believe that it is "absolutely ...

NEED Mission. The mission of the NEED Project is to promote an energy conscious and educated society by creating effective networks of students, educators, business, government and community leaders to design and deliver objective, multi-sided energy education programs.

The NEED Project

Leaders, quite rightly, are the heroes of the corporate epic (a few leader-villains notwithstanding). They motivate us to go places that we would never otherwise go.

Why People Follow the Leader: The Power of Transference

"The great thing about the Environmental Leader Conference is that it will provide a forum for sharing ideas and promoting collaboration—two things that help to drive us to continuously improve, not only as individuals, but also as a profession."

1 A Theory of Leadership for the Transformation for Health Care Organizations January 13, 2004 James L. Reinertsen, M.D. The history of health care quality improvement is replete with examples of projects in which a team aims

A Theory of Leadership for the Transformation for Health

That is a great list. I believe the one characteristic left off is something I would call pitting. Makaveli type leaders off and put two people in charge of the same project or task, pitting them against one another leaving all the power in their own hands, and at the same time making sure failure is passed on to others but credit for success stays in their hands.
