1.3. Students will analyze and assess nonverbal, cultural, and gender communication in both small group and public communication settings. Institutional Learning Goal 4.

### **Course Outline - MCCC**

In literature, the tone of a literary work is the effect that the writer creates on the readers through choice of writing style. The overall objective is to express an attitude or certain feelings about the subject matter.

### **Tone (literature) - Wikipedia**

A literary element, or narrative element, or element of literature is a constituent of all works of narrative fiction—a necessary feature of verbal storytelling that can be found in any written or spoken narrative. This distinguishes them from literary techniques, or non-universal features of literature that accompany the construction of a particular work rather than forming the essential ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date youâ€™re citing.
