Little Entrepreneurs: Business For Kids. Teaching children about business at a young age is important for the future of business as a whole. When kids are taught the specific lessons of money management and organizational skills, they can not only apply their skills towards building a business for themselves, but they can also apply the skills they have learned to their personal lives.

Little Entrepreneurs: Business For Kids | BSchool.com

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".
