Language Maintenance And Language Shift Among Second [PDF]

Language shift is the replacement of one language by another as the primary means of communication and socialization within a community. In an effort to understand the factors that contribute to language shift and those which seem to militate against it, this chapter explores several immigrant and non-immigrant contexts around the world, with particular focus on the United States.

Language Maintenance and Shift - Oxford Handbooks

A Middle Hungarian phase is by convention taken to last from 1526 to 1772, i.e. from the first books printed in Hungarian to the Age of Enlightenment, which prompted language reforms that resulted in the modern literary Hungarian language.
