English social history: a survey of six centuries (penguin , social history, writes gm trevelyan, is "the history of a people with the politics left out" this book offers an unparalleled portrait of everyday english life, from the emergence of the english as

Illustrated English Social History By Trevelyan George

This best-selling book is a beautifully illustrated history of the English country house from the Middle Ages to the twentieth century. In it, renowned architectural historian Mark Girouard presents a rare and revealing glimpse of the English upper classes—their public and personal lives, their servants, and their homes.

[PDF] Life in the English Country House: A Social and

Social history might be defined negatively as the history of a people with the politics left out. It is perhaps difficult to leave out the politics from the history of any people, particularly the English people.
