Intrapersonal Communication: Different Voices, Different

Intrapersonal communication 2.1 Definitions Although successful communication is generally defined as being between two or ... the voices in their heads. To try and explain more about how inner speech works, but also what goes wrong with AVH patients, Jones and Fernyhough adapt what is

2. Intrapersonal communication 2.1 Definitions

Intrapersonal communication is considered as the foundation for all communication and a key source for understanding ourselves and our environment (Barker & Edwards, 1980). In differentiating levels of communication, intrapersonal communication is the most individualistic while mass communication is the most collectivistic.
