About This Product. This robust learning package integrates keyboarding, essential word processing, document formatting basics, and communication skills within a single text, along with a strong emphasis on honing skills by completing projects in a realistic office environment.

### **Keyboarding and Word Processing Essentials Lessons 1-55**

As a result of my recent blog post on keyboarding and word processing basics, there have been questions -- about methodology, hardware, software, and research. Many people have opinions about the proper way to teach keyboarding, including the use of software applications versus a teacher-led program where the teacher guides the students in learning the skills.

### **Keys to the (Online) Kingdom: Keyboarding and Word**
