

passport english for international pdf

A passport is a travel document, usually issued by a country's government, that certifies the identity and nationality of its holder primarily for the purpose of international travel. Standard passports may contain information such as the holder's name, place and date of birth, photograph, signature, and other identifying information.

Passport - Wikipedia

A biometric passport (also known as an e-passport, ePassport or a digital passport) is a traditional passport that has an embedded electronic microprocessor chip which contains biometric information that can be used to authenticate the identity of the passport holder. It uses contactless smart card technology, including a microprocessor chip (computer chip) and antenna (for both power to the ...

Biometric passport - Wikipedia

You must provide one photo with your passport application. You cannot wear a hat or head covering. If you wear a hat or head covering for religious purposes, submit a signed statement that verifies that the hat or head covering in your photo is part of traditional religious attire worn continuously ...
