Autumn and Summer is a cute light-hearted read about friendship and romance. It's written from alternating perspectives of both Autumn and Summer, following them on these multiple dates and situations. Although both Summer and Autumn narrate, Summer's storyline was a little bigger and more entertaining.

All day yesterday they had read in class about the sun. About how like a lemon it was, and how hot. And they had written small stories or essays or poems about it: I think the sun is a flower, That blooms for just one hour. That was Margot's poem, read in a quiet voice in the still classroom while the rain was falling outside. "Aw, you didn't ...

Some students read a chapter then read a summary of it online to be sure they understand fully. This plan works well and it is not cheating (unless you skip reading the actual book!) Some students wait until the last minute to locate the book, rush to buy it, pay extra shipping, and try to read the book in two days.
